## **Quality Assurance and Warranty Certificate**

This is to certify that the Quality Management System of:

**Amarillo Gear Co.  
Amarillo, TX USA**

has been approved by Lloyd's Quality Assurance to the following Quality Management System Standards.

### **ISO 9001:2000**

The Quality Management System is applicable to:

**Design, Manufacture, Repair and Service of Power Transmission Components including Spiral Bevel Gears, Helical Gears, Couplings, Shafts, Right Angle Gear Drive Assemblies and Parallel Shaft Gear Drive Assemblies for use in the Cooling Tower, Agriculture, Marine and Industrial Markets.**

### **Limited Warranty**

**The Amarillo Gear Co. Right Angle Gear Drive is guaranteed against defects in workmanship and material for a period of one year after installation when operated under normal service at rated capacity. Within the above stated period, the manufacturer will replace the defective parts returned transportation prepaid. The buyer shall not be entitled to incidental or consequential damages, loses or expenses. The guarantee will not apply to repairs made outside the factory without the consent of the manufacturer or to drives that have been subject to abuse, accident, neglect or improper installation. No warranty is made in regard to bearings, trade accessories, machinery, or other articles of merchandise not manufactured by us. This warranty is expressly made in lieu of any warranties otherwise expressed or implied by law.**
